

2016 Annual Shoreland Activities Report

2016 Shoreland Block Grant 2668
Amount (\$):

Directions: Please answer the following questions for your county's 2016 activities within the shoreland area (1000 feet from lakes and 300 feet from rivers or the extent of the floodplain, whichever is greater).

To receive a shoreland grant in 2017, this form must be completed by February 28, 2017.

Variations

Q1 List the number of shoreland variance approvals in 2016 (if zero, please enter "0" in the box):

A) OHWL setback: 0

B) Bluff setback: 0

C) Impervious surface: 0

D) Building height: 0

E) Combination of contiguous nonconforming lots of record in common ownership for sale or development (Minn. Stat. § 394.36, Subd. 5(d)):

0

F) Subdivision of land not meeting lot area/width standards:

0

G) Other (please specify): You have left characters left in your response.

0

Q2 Approximately how many approved variances for items A through D above involved new construction on a conforming lot?

- Most
 About half

- Hardly any
 None

Q3 Does your county typically place conditions on approved variances?

- Yes
 No

Q4 Optional: Please describe any innovative conditions your county has required on approved variances in the last year.

**We plan to share this information with other counties, so we are looking for innovative ideas and unique, unusual, or special circumstances and solutions that other counties can learn from.
You have left characters left in your response.*

Q5 For approximately how many variance inquiries in 2016 were alternative solutions found (thus reducing the actual number of variance applications)?

- Most
 About half
 Hardly any
 None

Q6 If alternative solutions were found, what are some typical examples? Check all that apply.

- Alternative site found on property
 Size or footprint of structure or scope of project reduced
 Acquired additional land
 Redesignated project (size or scope of project reduced)
 Didn't build
 Reduced impervious coverage

Other, please describe the alternative solution:
You have left characters left in your response.

Q7 Does your county require septic system compliance inspections (system upgrades) whenever a permit or variance is granted?

- Yes
 No

*Note: Clicking "Save" will save your responses, but will also exit the survey.
You will need to come back to the survey when you want to continue.*

Lots & Land Subdivisions

Q8 What were the total number of lots created in 2016?
Shoreland PUD 0

Standard lot and block subdivision 0

Lot Splits (administrative subdivision) 0

Q9 Were any of these lots part of Resort Conversions?
 Yes
 No

*Note: Clicking "Save" will save your responses, but will also exit the survey.
You will need to come back to the survey when you want to continue.*

Permits

Q10 How many land use permits did your county issue in shoreland areas in 2016 for new construction on previously undeveloped lots:
Total # of permits for conforming lots 0

Total # of permits for nonconforming lots 0

Q11 How many land use permits did your county issue in shoreland areas in 2016 for redevelopment (e.g., expansion of structures, substantial improvements, new structures added to developed lots):
Total # of permits for conforming lots 4

Total # of permits for nonconforming lots 0

Q12 How many permits for grading, excavation, filling, or soil disturbance within the shore impact zone were issued in 2016?
0

Q13 Does your county generally inspect the work?
 Yes

No

Q14

If so, how and when? Check all that apply.

- On-site inspection prior to construction
- On-site inspection during construction
- On-site inspection after construction
- As-built drawings and measurements required after construction
- Other

Q15

Other, please describe:

You have left characters left in your response.

Note: Clicking "Save" will save your responses, but will also exit the survey.

You will need to come back to the survey when you want to continue.

Planning & Enforcement

Q16

Did your county update or amend its shoreland ordinance in 2016?

- Yes
- No

Q17

If yes, describe the nature of the change:

You have left characters left in your response.

Q18

Does your county have plans to amend its shoreland ordinance in 2017?

- Yes
- No

Q19

Does your county notify the DNR at least 10 days prior to public hearings for variances, CUPs, and ordinance amendments within 10 days after final decisions?

- Yes
- No

Q20

If yes:

Who do you notify? (name of
DNR staff person)

Brian Nyberg

Q25 Briefly describe provisions in your shoreland ordinance that are more effective than the minimum state standards in protecting shorelands (e.g., greater setbacks, special protection districts, stormwater management provisions, vegetation standards, etc.). If there are none, please leave this blank.
You have left characters left in your response.

Q26 We plan to share this with other counties. Would you be willing to tell us more if we contact you?
 Yes
 No

Q27 Have any new or unanticipated issues arisen in the past year that you would like the DNR to address or provide guidance on?
You have left characters left in your response.

Q28 Did your county pursue or consider pursuing any special initiatives or outreach efforts to protect shorelands in 2016?
Please describe:
You have left characters left in your response.
With the Butte Law reinsurance, we are reaching out to landowners via mailer fliers, direct correspondence, news paper articles

*Note: Clicking "Save" will save your responses, but will also exit the survey.
You will need to come back to the survey when you want to continue.*

Contact Information

Q29 County:

Q30 Contact Person & Title:

How do you notify them? (mail, e-mail
email, etc.)

What information do you provide? (notice, application, Notice, application, site plans, any additional information as required
site plans, etc.)

Q21

Are there any challenges to notifying the DNR earlier, e.g., 20 days, 30 days, or more?

*We are asking this question because 10 days does not provide the DNR with sufficient time for review, particularly for ordinances, and we would like to know what most counties would consider a workable time frame.

You have left characters left in your response.

Under most circumstances probably not an issue up to 30 days prior

Q22

Which townships in your county have taken on shoreland and floodplain zoning administration? Please list the townships and describe any cooperative agreements between your county and townships:

You have left characters left in your response.

None

Q23

How does your county administer shoreland provisions that restrict cutting on non-ag lands? (Please describe.)

You have left characters left in your response.

"Removal of natural vegetation shall be restricted to prevent soil erosion on public works, to conserve nutrients in the soil

and to prevent natural disasters."

Note: Clicking "Save" will save your responses, but will also exit the survey.
You will need to come back to the survey when you want to continue.

Resources/Training/Other

All of the following questions are optional.

Q24

What shoreland-related trainings, guidance, or tools do your staff or Board of Adjustment need?
You have left characters left in your response.

Q31 E-mail Address:

Q32 Phone Number:

Thank you for completing this form!
