

Cover Crop & Soil Health Field Day

Tuesday, September 5th
9:30 am -3:00 pm

Morning-Presentations
Afternoon-Field Demos

Where:
Tom Flick Family Farm
1157 110th Ave,
Luverne, MN 56156

Learn what local producers are doing in Rock County.

Discussion will include:

- Economics and herbicide considerations when using cover crops
- Soil health principles and demos to use on your farm.
- Strategies to incorporate cover crops in traditional, strip till, and no till operations
- What we seed and why? Livestock utilization?
- Opportunity to talk to local farmers about how they utilize cover crops and why they added it into their strip till, no till, and conservation till systems.

Guest Speakers Include:

- Tom Fick- Rock County Farmer and Cover Crop Champion
- Terry Aukes- Agronomist/Rock County Farmer and Cover Crop Champion
- Brent Fluit- Rock County Farmer and Rock SWCD 2016 Outstanding Conservationist.
- Kent Solberg-Cover Crop Champion, Farmer, and Sustainable Farmer Association Livestock & Grazing Specialist.
- Liz Stahl- University Of Minnesota Regional Extension Agronomist for SW MN
- Allen Duetz-Lyon County Farmer and Experienced Cover Crop with Livestock Operation
- Jennifer Hahn-Soil Scientist, Pheasants Forever

Lunch will be available per RSVP by Aug 31
